Clerk of Court Newsletter December 3, 2007

To Attorneys, CM/ECF Users, and the Public:

This communication contains information about news, events, and activities at the Bankruptcy Court. While much of this information is contained on the Court's website, I convey it to you for immediate use.

- **Implementation Order** The new Bankruptcy Rules, effective on December 1, 2007, required the Court to revise its Implementation Order. The revisions do not reflect substantive changes. The latest version of the Implementation Order is available at http://www.moeb.uscourts.gov/pdfs/Imp_Order_12-1-07.pdf.
- **Change to Local Form** In light of the federal rule changes, Local Form Standing Order 3 (Claims in Ch. 11 cases) has been revised to address changed requirements for Omnibus Objections to Claims. This order can be found at http://www.moeb.uscourts.gov/ch11_forms.htm
- **Helpful Tip on Service through CM/ECF** When filing a document electronically, the e-filer is able, before the document is filed, to see which parties will receive the document via e-mail from the Court's CM/ECF system. This allows the filer to accurately craft the certificate of service prior to filing the document. Simply log into the Court's CM/ECF system and click on "Utilities" at the top of the screen. On the next screen, beneath "Miscellaneous," click on "Mailings" On the third screen, click on "Mailing Info for a Case." Enter the case number into the field that appears, and click on "Submit." The screen after this will provide a list of all parties that will receive filed documents from the Court's CM/ECF system by e-mail in the case. It will also provide a list of all parties that will require manual notice.
